Our passion fuels your passion! Upon submission of your total money raised to the Dancer Love Foundation from your Row Raiser event we want you to keep 25% to cover either: expenses from hosting, gym membership for a special needs athlete, or giving back to your local community's special needs program. Please take that 25% out before submitting your total donation to the Dancer Love Foundation.

If the host has different ideas/ options for where the 25% portion will go, they may be submitted to the Dancer Love Foundation for review and approval. Please submit your request to: [jenn@dancerlove.org](mailto:jenn@dancerlove.org).
